

Adden electric

Adden electric

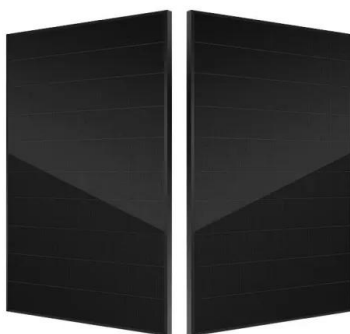

Adden Energy - Adden Energy's self-healing battery will make EVs

Adden Energy's dynamically-stable battery will render internal combustion obsolete and usher in a world of battery-powered robotic and other AI-driven mobility applications.

Adden Energy Secures \$15M to Scale Next-Gen Lithium-Metal Batteries

With significant funding secured and federal initiatives supporting domestic battery manufacturing, Adden Energy is well poised to become a leader in the next phase of EV innovation.

Madden Electric, 584 Autoroute Falconbridge, Greater Sudbury, ON

Madden Electric Inc. is a full-service electrical contractor based in Greater Sudbury, Ontario, dedicated to providing high-quality workmanship on every job, every day. With a team of employees

Welcome our latest investment: Adden Energy

Adden Energy, spun out of Harvard in 2022, has developed lithium-metal solid-state batteries that effectively overcome these challenges, delivering the promised improvements in range, charge

Adden Energy Raises \$15M to Expand Accessibility of Electric

Electric Vehicle (EV) adoption is one of the most meaningful steps an individual can take to combat climate change. Yet, current battery performance is holding back many consumers from

Adden Energy Launches With Technology License From Harvard to

Adden Energy, Inc., a startup developing innovative solid-state battery systems for use in future electric vehicles (EVs) that would fully charge in minutes, announced the grant of an exclusive

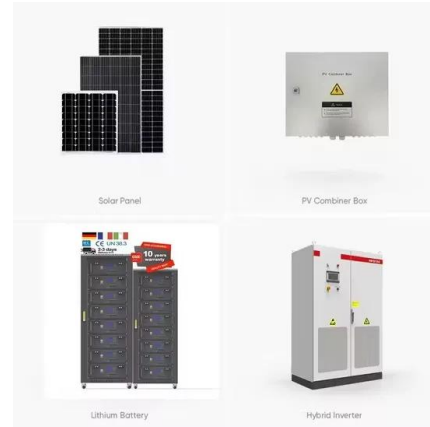

Adden commissions advanced SSB pilot production

Adden Energy, a solid-state battery (SSB) developer for electric vehicles (EVs), has commissioned a pilot production line to manufacture lithium metal solid-state

Adden Energy Raises \$15M to Expand Accessibility of Electric Vehicles

- Adden Energy has raised \$15 million in a Series A round to advance their lithium-metal solid-state battery technology for electric vehicles. - Current electric vehicle battery performance

MADDEN ELECTRIC ASSOCIATES, INC.

Find company research, competitor information, contact details & financial data for MADDEN ELECTRIC ASSOCIATES, INC. of Yeadon, Pennsylvania. Get the latest business insights from Dun & Bradstreet.

Contact us

Madden Electric strives to be the preferred provider for electric needs throughout Northern Ontario. Our highly skilled and motivated workforce is committed to working together to meet the needs and

Adden Energy Raises \$15M to Expand Accessibility of Electric Vehicles

Targeting the Electric Vehicle market, Adden Energy's batteries can double the driving range while cutting the charge-times to as fast as gas. Adden Energy's mission is to enable everyone to adopt

Rapid Charging and Extended Lifespan: Adden Energy's Solid-State

Adden Energy pioneers in solid-state battery technology, offering double the range and faster charging times for electric vehicles. Learn about their innovative manufacturing process and
