

Atacama solar for sale

LiFePO₄ Battery, safety

Wide temperature: -20~55°C

Modular design, easy to expand

The heating function is optional

Intelligent BMS

Cycle Life: ≥ 6000

Warranty: 10 years

Atacama solar for sale

Clifford Chance advises on the sale of the fourth phase of the energy

Clifford Chance has advised Grenergy Renovables on the sale of the fourth phase of the Oasis de Atacama project, located in northern Chile, to funds under the management of CVC DIF,
