Austa Solar is a premier high-tech enterprise under the OSDA Group, specializing in the manufacturing of high-efficiency solar panels since 2009. Located in Ningbo, China, we have expanded our expertise to become a trusted provider of integrated energy solutions, including hybrid inverters and. Austa has launched an all-in-one residential storage system with a three-phase inverter offering output from 5,000 W to 15,000 W and storage capacities ranging from 10 kWh to 30 kWh. We're proud to present our latest video showcasing the Low Voltage Hybrid Inverter System – a powerhouse designed to revolutionize the way you harness and utilize solar energy. As a global organization, we may transfer any personal information collected through cookies to other parts of the world.
