

Banga solar supplier

The image shows a house with solar panels installed on the roof. In the foreground, there is a large, white, modular battery storage unit. The unit is composed of several stacked modules, each with a small digital display and control buttons. To the right of the battery unit, there are four circular icons with text descriptions:

-  **easy to install and use**
-  **World wide Products**
-  **faster charging and discharging**
-  **Multiple protection with alarm systems**

Can save energy

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4
