Overview

The transaction is the latest in a series of combinations driven by the recent collapse of oil prices. We invest, develop and operate innovative, cost-effective and environmentally responsible energy solutions. The first major shale deal after the worst oil price collapse in five years is a model for future transactions that promises to quickly change the industry as companies expand in new areas or soak up struggling rivals. (NasdaqGS:ROSE) from SailingStone Capital Partners, First Pacific Advisors, LLC, RS Investment Management Co.
