

Cheterdoli lithium ion battery

?Please mind potential fire risk and strictly follow the instruction manual for charging and storage. For disposal, please check your local authority's website

A large, open industrial server cabinet with multiple bays and doors. The cabinet is white with black interior components. The left door is open, revealing internal components like a power supply and cooling fans. The right door is also open, showing a large cooling fan and a control panel. The central section contains several vertical bays, some of which are occupied by modules. The cabinet is mounted on a metal frame.
