CLOU Aqua-C3 Pro 6.88MWh Liquid-Cooled ESS Shows at Solar

This comprehensive approach reduces manual maintenance frequency, improves deployment efficiency, ensures stable long-term operation, and optimizes overall O& M costs.

CLOU ESS's US Company Unveiled at RE+ 2023 in Las Vegas with

The founding of CLOU ESS's US company will empower CLOU to further penetrate the global market, including North America. Furthermore, with leading energy storage products and

CLOU Electronics Releases Two Versions of Aqua-C2.5

Additionally, the modular design of both the battery pack and PCS simplifies operation and maintenance (O& M), reducing time and costs while ensuring high system availability. Features

The US company of CLOU ESS unveiled itself with a focus on energy

The establishment of the US Company of CLOU ESS will enable CLOU to further penetrate the global market, including North America.

Furthermore, with leading energy storage

Our Lifepo4 batteries can be connected in parallels and in series for larger capacity and voltage.

CLOU Grandly Launched the New Product of Liquid Cooling ESS and

In order to serve the dual-carbon goal better, CLOU is actively planning to create the best products and solutions, and grandly launched Liquid Cooling ESS-E30 and PCS-Single Unit

The US company of CLOU ESS unveiled itself with a focus on energy

CLOU ESS, subsidiary of Media Group and one of the strongest players in global energy storage market, established its US company, aiming to strengthen its business in North American

CLOU Aqua-C3.0 Pro: 6.88 MWh Liquid-Cooled ESS Debuts at RE

It achieves a significant leap in system efficiency, safety, and O& M convenience, reducing total cost of ownership (TCO) by 10.63% to drive further revenue growth across the

CLOU's Next-Gen Aqua-E261 & Aqua-X261 C& I BESS Debuts at

As flagship products in CLOU's C& I liquid-cooled energy storage series, Aqua-E261 and Aqua-X261 are equipped with 314Ah battery cells and up to 261kWh energy storage capacity.

CLOU Aqua-C3.0 Pro: 6.88 MWh Liquid-Cooled ESS Debuts at RE

CLOU launches Aqua-C3.0 Pro, a 20-ft liquid-cooled ESS with 600Ah+ cells and up to 6.88 MWh--RTE up to 92.3%, TCO down up to 10.63%, ThermoFlux 2.0 system-level safety.

2GW GWh Annual Capacity of BESS

Shenzhen CLOU Electronics Co., Ltd. is a pioneering technology innovator in smart grid and renewable energy industry, providing energy solutions to on-grid/of-grid public utilities, thermal power plants,

CLOU ESS

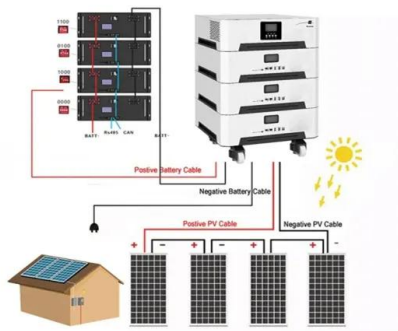

Entering energy storage sector in 2009, CLOU has built a fully self-developed stack--BESS, PCS, PCS-MV Skid, BMS, EMS, and battery modules--delivering reliable, integrated solutions from device to

CLOU ESS , LinkedIn

Shenzhen CLOU Electronics Co., Ltd. (CLOU), founded in 1996 and headquartered in Shenzhen, is a leading comprehensive energy technology company specializing in energy storage and smart grids.
