BISOL Duplex Monokristalline Halbschnitt PV-Module (120 Zellen) / BDO 375-380 Wp Leistung
Geringere Verluste Eingeschränkte Vorsortierung der Module Schattierung für höhere Rentabilität

BISOL BIPV Panels for Seamless Solar Design , ICB Solar

Discover BISOL building-integrated PV panels - efficient, aesthetic solar solutions that blend seamlessly with rooftops. Ideal for modern homes & architecture.

Environmental Product Declaraon

The BISOL Duplex module is considered one of BISOL's best-selling photovoltaic modules, as it offers the best power-to-size ratio and significantly higher cell power and higher conversion efficiency

BISOL Duplex BBO 500W Full Black 1500V Monofacial , sun.store

Get the best deal on BISOL Duplex BBO 500W Full Black 1500V Monofacial solar panel from multiple sellers on sun.store. Efficiency and choice in one marketplace.

BISOL Duplex

BISOL Duplex with half-cut cells and the most progressive multiwire technology is one of BISOL Group's best sellers. The powerful module is available in two sizes: a 96-cell version in power classes,

BISOL Duplex BBO 450Wp FB , Photovoltaics from SOLSOL

BISOL BBO series all-black panels use M6 half cut cells and 9 multi-busbar technology. They are manufactured to the highest standards. Components and materials are sourced from verified

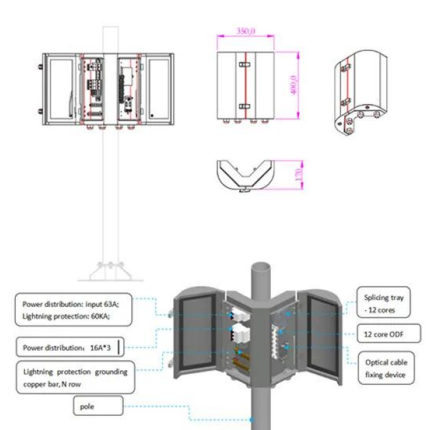

BISOL Duplex

BISOL tracking system is a great example of a lean production method that offers a fully monitored process assuring the highest utilisation rate and optimised cost structure, which eventually translates

BISOL Duplex

BISOL Duplex with half-cut cells and the most progressive multiwire technology is one of BISOL Group's best sellers. The powerful module is available in two sizes: a 120-cell version in power classes,
