

Eastar lithium battery

Eastar lithium battery

EASTAR BATTERY - Professional Battery Manufacturer & OEM

EASTAR Battery is a leading battery manufacturer in China, specialized in alkaline, lithium, and Ni-MH rechargeable batteries. We provide OEM & ODM battery solutions for global partners with reliable

Lithium Cells & LiFePO4 Cells , Advanced Energy Storage Solutions

Eastar is a leading supplier of Cylindrical lithium battery and prismatic LiFePO4 battery, offering cutting-edge energy storage solutions for a variety of applications including solar power storage, electric

Company Overview of China Manufacturer

Shenzhen Eastar Battery Co., Ltd is a Hi-tech enterprise specializing in researching, manufacturing and marketing of Lithium-ion battery since 2001. Located in Shenzhen and DongGuan, we have two

Advanced LiFePO4 Energy Storage Solutions , EASTAR Lithium Battery

Shenzhen Eastar Battery Co., Ltd. is a leading provider of high-quality LiFePO4 and lithium-ion batteries for various applications including solar energy storage, electric vehicles (EVs), e-bikes,

SHENZHEN EASTAR BATTERY CO., LTD.

Shenzhen Eastar Battery Co., Ltd was set up as a manufacturer of various batteries in 1997. Our main products include dry batteries (carbon & alkaline), lead-acid batteries (General batteries, Auto

About Us , EASTAR BATTERY - OEM & Custom Battery Manufacturer

Our excellent product quality, cost-effective lithium batteries, have been highly praised and recognized by international and domestic high-end customers. Our journey began with a vision to innovate and

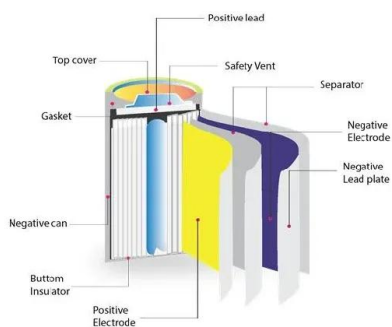

About Us , EASTAR BATTERY - OEM & Custom Battery Manufacturer

Learn more about EASTAR BATTERY, a professional battery manufacturer offering OEM and custom solutions. With a full range of batteries including alkaline, carbon, Ni-MH, Ni-Cd, lithium, and button

Eastar 18650 Lithium Battery 3.7V 2200mAh Li Ion

Shenzhen Eastar Battery Co., Ltd was set up as a manufacturer of various batteries in 1997. Our main products include dry batteries (carbon & alkaline), lead-acid

18650 21700 32700 lithium batteries

EASTAR specializes in high-performance cylindrical lithium batteries, offering reliable and high-quality solutions for various applications. Our products include a wide range of lithium batteries that provide

LiFePO4 & Li-ion Rechargeable Cells , EV/Solar/Industrial Use

EASTAR BATTERY: Professional LiFePO4 & Li-ion cell manufacturer. Supply prismatic cells (3000+ cycles @80% DoD) and 18650 cells (2600mAh, 20A discharge). Certified to UL1642/GB/T 31484 for

ICR18650 Rechargeable Cell Manufacturer , Bulk & Custom Wholesale

ICR18650 battery, 3.7V rechargeable lithium battery, 1200~2000mAh Li-ion cell, OEM battery supplier, bulk battery manufacturer, custom lithium-ion batteries, high-drain 18650 battery, reliable battery

Top China Sourcing Agent for Reliable Lithium Battery

EASTAR specializes in sourcing high-quality Lithium Batteries in China, powering everything from smartphones to electric vehicles with reliability and efficiency.
