Fronius International

In 1945, Günter Fronius (1907-2015) set up Fronius International GmbH in Pettenbach. Günter Fronius occupied himself with the development of battery charging systems in an electrical business. Based on the same technology, he expanded his product portfolio in 1950 to include welding equipment. In the mid-1960s, the company started to manufacture electronics and welding torches. In 1972, Fronius opened a second site in Thalheim, near Wels, and moved production there. Günter Fronius handed ov
