Hero energies how much

Energy Usage Cost-Efficiency : r/HeroWarsApp

Spending more energy than what is required to unlock the daily tasks is not cost effective. The additional energy will give you nothing but items. However if you save them for events with energy tasks

Energy Optimization question : r/HeroWarsApp

Do only 3 hero battles for the daily quest. The only hero battles worth doing daily are 10-15 and 13-15 because these are the 2 battles that yield the most XP/energy. Other cases are when you need to

Hero Future Energies to invest \$2bn

Hero Future Energies, the renewable energy arm of the Munjal family-promoted Hero group, will invest upwards of \$2 billion over the next 30 months to ramp up its generation capacity.

Are the "Bottled Energy" from the shop worth buying? : r

Do you guys buy "Bottled Energy" from the shop? I occasionally buy them, like once every couple of weeks, but for 300 gems seems kind of hefty. Is it worth it?
