Outdoor Cabinet BESS
50 kWh/500 kWh Battery Storage System
Industrial and Commercial Energy Storage

The advertisement features two views of a white outdoor cabinet battery storage system. The left view shows the closed cabinet with a small digital display and a red emergency stop button. The right view shows the cabinet with its doors open, revealing internal battery packs connected by yellow cables. The background is a dark, moody landscape with wind turbines under a sunset sky.

- All In One**
Integrating battery packs
- High-capacity**
50-500kWh
- Degree of Protection**
IP54
- Operating Temperature Range**
-20~60°C (Derating above 50 °C)
- Intelligent Integration**
integrated photovoltaic storage cabinet
- Rated AC Power**
50-100kW
- Altitude**
3000m(>3000m derating)

Overview

The company has around 7,000 MW of attributable renewables capacity across the , , , , , and the.

How much acen renewables
