Green light for largest battery energy storage system near Scots town

Renewable energy storage specialist Aputura has secured planning permission for the proposed major battery energy storage system (BESS) with a capacity of 700 megawatts at

Natural Power supports DIF's £200m investment in battery storage

In the UK, Field has one operational BESS site, and another four BESS projects currently under or near construction, with a combined capacity of 210MWh (Newport in South Wales,

PUSUNG-R (Fit for 19 inch cabinet)

Field Gets £200 Million Investment From Dif Capital Partners

In the UK, Field has a number of BESS projects currently under or near construction, with a combined capacity of 210MWh. These are situated in Newport, South Wales, Blackburn, Gerrards

Auchteraw BESS - 49.9 MW Unknown-Kraftwerk in Vereinigtes

Auchteraw BESS ist ein unbekanntes Kraftwerk im Vereinigten Königreich. Es hat eine installierte Kapazität von 49,9 MW, die aus unbekannter Energie erzeugt wird.

Field powers up its largest battery site

Energy storage developer Field's largest battery site to date is now live with the potential to supply electricity to up to 150,000 homes for two hours. The new 50MW/100MWh Auchteraw site is

Auchteraw BESS

Auchteraw BESS is a battery power plant operated by Field Energy with a total output of 49.90 MW. Data © OpenStreetMap contributors, ODbL. International regions © MarineRegions , CC-BY.

Field gets £200 million investment from DIF Capital Partners

Battery energy storage system (BESS) developer Field has received a £200 million investment from DIF Capital Partners, which will support Field's development of its 4.5GWh pipeline

Field acquires ILI Group's 50MW Auchteraw battery storage project

Auchteraw is the latest in a string of asset sales by ILI Group, with five battery storage deals in the past 12 months. This includes the sale of its 50MW Fordtown battery storage project in Kintore,

Field receives £200m from DIF to boost battery energy

Image: Field. Battery energy storage system (BESS) developer Field has received a £200 million investment from DIF Capital Partners. Field will use the funds

Field powers up largest battery site to date, boosting energy security

Field's 50MW/100MWh Auchteraw battery storage site - Field's biggest yet - is now live, with the capacity to store enough energy to supply up to 150,000 homes for two hours when fully charged.

Field powers up largest battery site to date, boosting energy security

Field's 50MW/100MWh Auchteraw battery storage site - Field's biggest yet - is now live, with the capacity to store enough energy to supply up to 150,000 homes for two hours when fully charged.

ILI group sells another Highland battery storage project

Intelligent Land Investments Group (ILI) has sold its 50MW 'Auchteraw' battery storage project near Fort Augustus to Field. This latest transaction will increase ILI's funded battery projects

FIELD ACQUIRES ILI GROUP'S 50MW AUCHTERAW BATTERY

Deploying battery energy storage systems will provide more comprehensive access to electricity while enabling much greater use of renewable energy, ultimately helping the world meet its Net Zero

FIELD ACQUIRES ILI GROUP'S 50MW AUCHTERAW BATTERY

What is tagenergy's 100MW battery project? National Grid plugs TagEnergy's 100MW battery project in at its Drax substation. Following energisation, the facility in North Yorkshire is the UK's largest
