Plasma Spray Gun Introduction , Top Three Torch Producers

The Metco 9MB high-power plasma spray gun quickly heats powder material to achieve superior spray rates. Faster spray rates reduce cost per part and shorten time, ultimately increasing profits.

SinplexPro(TM) 03C Cascading Arc , Oerlikon Metco

SinplexPro(TM) 03C: Ideal for ChamPro(TM) processes, offering up to 20% higher plasma efficiency, high-quality argon coatings, stable technology, longer maintenance intervals, and lower overall costs.

Product Data Sheet Metco 11MB-2 Plasma Spray Extension Gun

Metco 11MB-2 Plasma Spray Extension Gun
Oerlikon Metco's plasma extension guns are engineered for reliable and universal performance for internal and external atmospheric plasma spray processes.

Electricity Rates by State (March 2026) , Electric Choice

How Electricity Rates Have Changed Over Time
The national average residential electricity rate has climbed 21% in five years, rising from 14.92¢/kWh

Product Data Sheet iPro-90

The Metco iProTM-90 offers the ultimate in power and robustness, even in the most challenging environments, with operation of up to 95 kW. The advanced design features of the iPro-90,

SM-F100 Connex , Oerlikon Metco

SM-F100 Connex: Ideal for complex geometries and internal bores. Modular design, sprays various materials with a single nozzle configuration. Maximum power 20 kW, weight 3 kg. Controller

48V 100Ah

Product Data Sheet Metco 9MBM Plasma Spray Gun

Metco 9MBM Plasma Spray Gun Engineered for reliable, top-of-the-line performance, the MetcoTM 9MBM plasma gun masters the possibilities of the plasma spray process to produce high quality

November 2024 Rates Updates

The Manila Electric Company (Meralco) announced today an upward adjustment of P0.4274 per kWh in the electricity rate this November, bringing the overall rate for a typical household to P11.8569 per

Thermal spray equipment guide

Thermal spray equipment Only Oerlikon Metco can offer equipment solutions for all thermal spray processes. And with such a broad selection, we have just what you need for your application. Proven
