

# **Naxtra battery for sale**

## Naxtra battery for sale

---

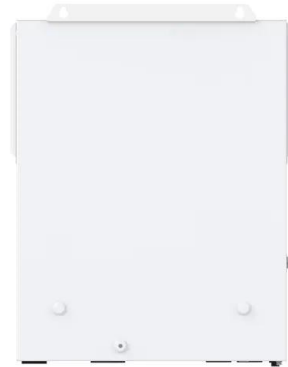

Voltage ranges 91.2-947.2V  
>6000 cycles(100%DOD)  
Rated battery capacity:  
216kWh (customizable)  
EMS communication:  
4G/CAN/RS485

### European Sodium-Ion Battery Manufacturers: Complete Overview

European Sodium-ion Battery Manufacturers: Complete Overview Sodium-ion battery manufacturers in Europe are gaining significant attention as this technology emerges as a promising

### Naxtra Battery Breakthrough & Dual-Power Architecture: CATL

On April 21, 2025, CATL unveiled three groundbreaking EV battery products at its inaugural Super Tech Day: The Freevoy Dual-Power Battery, Naxtra - the world's first mass produced sodium-ion

### CATL to Begin Mass Production of Naxtra Sodium-Ion EV Batteries by

Naxtra sodium-ion EV batteries are set to reshape the electric vehicle industry. Chinese battery manufacturer Contemporary Amperex Technology Co., Limited (CATL) has confirmed it will

### CATL Announces Sodium-Ion Battery With 300-Mile Range for EVs

First Sodium-ion Battery with a 300-mile range has been unveiled by CATL, marking a significant moment in electric vehicle technology. CATL, the world's largest battery maker, has

### **Naxtra Battery Breakthrough & Dual-Power Architecture: CATL**

Sodium-LFP Dual-Power Battery - It combines Naxtra with a LFP self-forming anode battery, fully utilizing the low-temperature performance of sodium-ion technology to provide users

### **CATL Introduces First Mass-Produced Sodium-Ion Battery**

CATL has officially unveiled the Naxtra Battery, claiming it to be the world's first Sodium-ion Battery produced on a mass scale. The announcement at CATL's Super Tech Day marks a

### **CATL's Naxtra Sodium-Ion Cells Reignite the Old Battery Pack Cost**

The Changan Nevo (Qiyuan) A06 is our only reference about that, but the derivatives with the new sodium-ion batteries will only be put for sale by the middle of the year.

## **CATL's Naxtra Sodium-Ion Cells Reignite the Old Battery Pack Cost**

Naxtra batteries adopt sodium-ion (Na-ion). Although the world's largest battery maker and Changan praised how well these cells behave in cold weather, it is their price that should heat up the

## **CATL's Naxtra Battery Passes New National Standard Certification**

On September 5, CATL's Naxtra battery passed the GB 38031-2025 Electric Vehicles Traction Battery Safety Requirements (New National Standard) certification, becoming the world's

## **CATL Unveils 310-Mile Sodium-Ion Battery, Aiming to Disrupt Lithium**

However, CATL has ambitious plans to scale up production of larger sodium-ion batteries by December, targeting integration into both fully electric and hybrid passenger cars. The company

## **CATL's Sodium-Ion Naxtra Enters Mass Production**

Learn more CATL's Sodium-Ion Naxtra Enters Mass Production this Year CATL, the world's largest battery maker, is set to begin mass production of its Naxtra sodium-ion battery by December 2025.
