

P3 solar power pack

Nominal Capacity

280Ah

Nominal Energy

50kW/100kWh

IP Grade

IP54

P3 solar power pack

30W P3 Portable Solar Charger

Product Summary P3-30W portable solar charger. The P3-30 is a 30 Watt Military grade solar charger derived from years of supporting troops. The P3-30 has been approved for deployment in austere

FAQ

Connecting solar chargers in parallel effectively doubles (2x) the current (amps) and power, keeping the voltage of the individual solar chargers rating. We recommend you parallel connect chargers of equal

P3 Solar 12v 30 Watt Military Grade Portable Charger

P3 Solar's Portable Power Packs are lightweight, foldable power sources for rugged, self-sustaining power. These military grade units use non-silicon based,

GSE P3-15W Pack Solar Panels (15 Watt)

GSE P3-15 Portable Power Pack 15 Watt 12 Volt Woodland Camo Global Solar's thin-film photovoltaic technology is enabling solar power products to be portable, flexible, foldable,

durable and lightweight.

100W P3 Portable Solar Charger

P3-100W portable solar charger. The P3-100 is a Military grade Solar Charger derived from years of supporting troops in the battlefield. The P3-100 has been tested to the MIL-STD-810G series of tests

P3 124 Spec Sheet 2014

P3 Portable Power Pack - 124 Watt The P3 Portable Power Pack is the only solution for portable power for all types of outdoor needs. Incorporating solid state, thin-film solar cells, the P3-124 provides an

GSE P3-55 Solar Panel (55 Watt)

Portable Power Pack (P3) The P3 is a solar-energized power generator for mobile power needs. Incorporating solid state, thin-film, PowerFLEX solar technology, the P3 provides an excellent choice

P3-20W solar panel, flexible and foldable

P3 solar panels are your ideal companion for your mobile energy solution. Be independent! They are small foldable, flexible, unbreakable and solid. They are ideal as a power plant for cell phones,

P3Solar

P3Solar's P3 products are designed for United States and Allied Armed Forces personnel requiring the smallest, lightest, highest power density portable solar chargers in support of mobile forces operating

P3 Products, lightweight portable solar panels and charging kits

Home » P3 Products, lightweight portable solar panels and charging kits P3Solar's P3 products are designed for United States and Allied Armed Forces personnel requiring the smallest, lightest,

Marine Catalog: Global Solar Portable Power Packs

Portable Power Pack (P3) The P3 is a solar-energized power generator for mobile power needs. Incorporating solid state, thin-film, PowerFLEX(TM) solar technology, the P3 provides an excellent

Global Solar 62 Watt Sunling Solar Charger

It has a built-in blocking diode but requires a separately sold solar charge controller to prevent overcharging a battery. Compact when folded, it is lightweight, easily
