Sigenergy battery storage

Sigenergy Balcony Battery: Scalable 2.68 kWh LFP Storage for PV

Sigenergy introduces a scalable, outdoor-rated balcony battery storage system for solar installations, featuring a 2.68 kWh LFP base unit, 4 kW PV input, and backup power capability.

? From sunrise to sunset - we've been powering the

15 kW Sigenergy Inverter -- VPP ready & blackout protection ? A powerful combo delivering clean, reliable energy for years to come. ?? Thinking about going solar or adding battery
