Overview

Early career Sterling spent four years with local youth team Alpha & Omega before signing for Queens Park Rangers, at age 10, as a winger. Sterling was subsequently scouted by the academies of Arsenal, Chelsea, Fulham, Liverpool and Manchester City. Regarded as one of the best wingers to ever play in the Premier League, he is known for his. He has been praised for his adaptability and ability to play wide, at the tip of a midfield diamond and centrally, offering flexibility. " It was not until September 2009 that

In 2013, citing the influence of his mother, Sterling was quoted as saying he was "not 100 per cent religious but my belief is strong.
