Indian Battery Storage Giants Unite To Lead The Bess Market With

Statcon Energiaa and Su-vastika announced their collaboration this week, targeting both domestic markets and international exports as India accelerates its clean energy transition.

Start-up Su-vastika Solar received a Patent for its IoT Based System

- All set to cater to EV and solar industry to charge the batteries made of future technologies. Su-vastika, a startup led by Ms. Khushboo Sachdev, has been awarded a patent by

Statcon, Su-vastika launch make-in-India BESS partnership

Statcon founder and MD Manoj Pande said the partnership would spearhead development of a new generation of lithium-based solar hybrid systems to meet a diverse customer base.

Statcon Energiaa and Su-vastika collaborate to develop

New Delhi, August 2025 - Indian power electronics leader Statcon Energiaa and clean energy innovator Su -vastika have announced a strategic partnership to

Su-vastika Revolutionizes Power Backup with Patented Technologies

Su-vastika's patented IoT-Based Testing System (Patent No. 403781) allows for adaptable testing of charging systems across various applications, including electric vehicles, solar

Energy Storage System 3P-3P

Solar Compatible BESS by Su-vastika also comes with a solar feature allowing batteries to be charged using solar power. This way the cost of the system can be recovered in just 2-3 years, since the cost

Indian Battery Storage Giants Unite To Lead The Bess Market With

The merger of capabilities sees Statcon Energias's established expertise in battery storage and grid-tied solar inverters combining with Su-vastika's innovation portfolio, which includes

Su-vastika : The future of home energy storage

Su-vastika: This startup company is mentored by Mr. Kunwer Sachdev, the founder of Su-kam and known as the Inverter Man of India is making Energy Storage Systems indigenously and

BESS with Lithium battery bank (40-50) KVA

BESS with Lithium battery bank (40-50) KVA
Trade your noisy, polluting generator for a sleek, silent lithium battery energy storage. Imagine a hefty battery pack quietly tucked away, taking over your

Statcon Energiaa and Su-vastika Come Together to Advance Made-in

This company has acquired majority stakes in both Statcon Energiaa and Su-vastika. Rotomag Managing Director Umesh Balani envisions consolidating India's solar industry across
