Sunwoda batteries

Upgrade Your Solar System with Sunwoda CoreTECH 51.2V 100A

Upgrade your home's energy with the Sunwoda Lithium Battery! ? Experience reliable power backup with CoreTECH technology. This 51.2V 100A (5.2KW) battery is designed for long-lasting

European Batteries

European Batteries - About the company
European Batteries is a series A company based in Espoo (Finland), founded in 2003. It operates as a Develops Li-ion batteries. European Batteries has raised

Sunwoda SunESS-H 5kWh modular lithium battery

The Sunwoda SunESS 5H Modular Lithium Battery is an advanced energy storage solution designed to provide a secure and reliable power source for residential applications. This intelligent system is

Sunwoda Electronic Co., Ltd. (@SunwodaGroup) / Posts / X

Sunwoda's advanced high-speed multi-modal CT inspection system is 10× more efficient and achieves micron-level precision. Non-destructive, in-line inspection boosts production and

Commercial and Industrial ESS

Air Cooling / Liquid Cooling

- Budget Friendly Solution
- Renewable Energy Integration
- Modular Design for Flexible Expansion

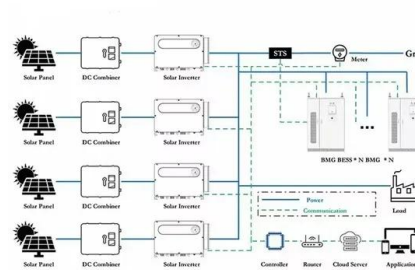

A Meaningful Dialogue in

A Meaningful Dialogue in Budapest ? Sunwoda recently met with the Hungarian Battery Association (HUBA) in Budapest to discuss the future of the battery industry, covering battery

Sunwoda's "Flash Charge Battery" Can Power Electric Cars 1,000

The world's first mass-produced "flash charge battery" unveiled by Sunwoda has the characteristics of ultra-fast charging, high safety, and extreme durability. It is able to power electric vehicles for up to

Sunwoda and Its Partners: Building the Energy Foundation for AIDC

As a global leader in lithium-ion battery technology, Sunwoda has consistently aligned itself with industry evolution. Since entering the critical power supply segment for data centers in 2016, the company

Sunwoda Advances Sustainable Compliance at Energy Storage

On 24 February, Sunwoda participated in Energy Storage Summit 2026 in London, showcasing its latest battery innovations as well as utility-scale and C&I ESS solutions. During the

Battery Cells , Sunwoda

Sunwoda's energy storage cells combine high performance, long lifespan, and wide application adaptability with multi-level safety and intelligent reliability. Built with intrinsically safe materials,

Sunwoda

Sunwoda Electronic Co., Ltd., or simply Sunwoda (Chinese: 鑫旺达; pinyin: xīn wàng dá) is a Chinese technology company that specializes in the research and manufacture of lithium-ion battery modules.

Tulip scores third injunction against Sunwoda over LG Chem battery

Last July 17, the Munich Regional Court issued a third preliminary injunction in favor of Tulip Innovation in its ongoing patent dispute with members of the China-based Sunwoda Group.

Sunwoda and Partners Build Energy Foundation for AIDC

Sunwoda leverages decade of lithium battery expertise to deliver reliable backup power for AI data centers, expanding globally with next-gen solutions. Learn more.

SUNWODA LITHIUM BATTERY MANUFACTURER

Sunwoda formally began deploying its electric vehicle battery business in 2008. Taking electric vehicle battery systems (cell, module, BMS, and PACK) as the core product, the upstream extends to key

Sunwoda 12V 153Ah Battery Module for Electric Cars , TikTok

TikTok video from Ken Yau (@ken_yau): "Discover the Sunwoda 12V 153Ah battery module ideal for electric vehicles. Enhance your ride with advanced battery solutions! #Battery #Sunwoda #12V

Every Battery Carefully Crafted

In 1997, Sunwoda was founded in Shenzhen. After more than 20 years of development, it has become a leading enterprise in the global lithium-ion battery field, forming 3C consumer batteries, intelligent

Sunwoda Oasis 60 60kWh Lithium-Batterie mit KÜhlschrank

Sunwoda Oasis 60 60kWh Lithium-Batterie mit KÜhlschrank Almacenamiento de energía confiable y eficiente para aplicaciones comerciales e industriales.

Sunwoda Reinforces Long-Term Commitment to the Middle East

At the World Future Energy Summit 2026, Sunwoda showcased its latest lithium-ion battery and energy storage solutions, reinforcing its growing presence in the Middle East energy storage market

Sunwoda Reaffirms Tier 1 Energy Storage Manufacturer Status in

Maintaining Tier 1 status reinforces Sunwoda's commitment to innovation and excellence, aligning with its philosophy of "crafting every battery with care." In 2025, the company introduced its
