Upstage Releases Next-Generation "Solar Pro" Generative AI LLM on

? SAN JOSE, Calif., Dec. 4, 2024 - Leading South Korean artificial intelligence (AI) startup Upstage today announced that it has launched its next-generation large language model (LLM) Solar

Optimize Your Solar Energy with Solar Pro AI Agent , Creati.ai

Solar Pro is an AI agent dedicated to optimizing solar energy systems by providing detailed analytics, performance tracking, and predictive insights to enhance energy efficiency and reduce costs.

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

Magnetic Wireless Solar - Ai Pro

One or more of the items in your cart is a recurring or deferred purchase. By continuing, I agree to the cancellation policy and authorize you to charge my payment method at the prices, frequency and

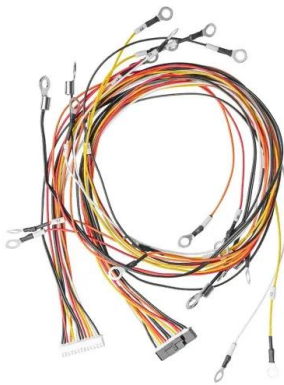

Solar Pro 2: South Korea's AI Breakthrough Explained Simply

Solar Pro 2 represents more than just a technological achievement for South Korea - it's a signal that innovation in AI isn't limited to Silicon Valley giants. The model's success

Solar Pro 2 has launched - and it's a game-changer.

It's workflow-level intelligence. Whether you're building copilots, autonomous agents, or enterprise AI solutions, Solar Pro 2 is ready -- and we're just getting started.

Upstage to Release Preview of Next-Generation LLM 'Solar Pro'

This innovation enables Solar Pro to deliver state-of-the-art performance while significantly reducing model size--an essential advantage in the face of rising GPU costs and supply

Solar Pro 2 Breaks Into Global Frontier AI

Upstage has earned global recognition with its latest proprietary large language model (LLM), Solar Pro 2, which was recently named one of the top 10 "Frontier Models" by leading AI

Solar-Pro-2 API

Access Solar-Pro-2 via Poe API. Build AI applications with Solar-Pro-2. Solar Pro 2 is Upstage's latest frontier-scale LLM. With just 31B parameters, it delivers top-tier performance through world-class

AWS Marketplace: Solar Pro

This is a quantized version of Solar Pro. Solar Pro is a cutting-edge LLM engineered for enterprise needs, offering exceptional performance on a single GPU. It has a superior instruction-following

Solar Agent - Artificialagents.ai

Meet Solastra - Your AI-Powered Solar Sales Assistant Automate lead qualification, customer education, and solar consultations with an AI agent built specifically for the solar industry.

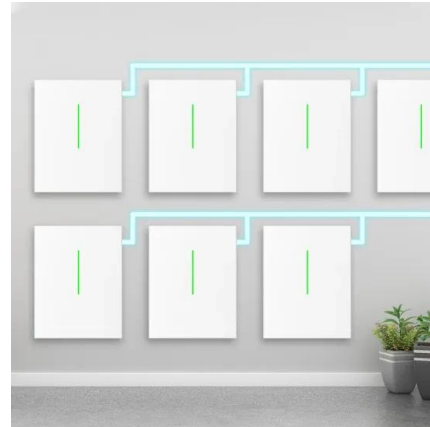

Solar Pro 2 Preview: Small. Powerful. Now with reasoning.

Solar Pro 2 Preview is here: a compact 31B model that rivals 70B giants, now with hybrid reasoning mode. Still small but smarter, and free to use until July 15 on the Upstage Console.

Solar-Pro-2

Solar Pro 2 is Upstage's latest frontier-scale LLM. With just 31B parameters, it delivers top-tier performance through world-class multilingual support, advanced reasoning, and real-world tool use.

Solar Pro 2: Fluent. Reasoning. Frontier.

Upstage has released new versions of Solar Pro and Solar Mini, delivering major upgrades for smoother, clearer, and more natural Korean--ideal for Korean-first AI services.

Solar Pro AI Platform For Solar Energy Forecasting And Optimization

Solar Pro is an AI-powered platform developed by Upstage Inc. that specializes in advanced solar energy analytics and forecasting. It leverages machine learning and big data to provide precise solar

DETAILS AND PACKAGING

Upstage Solar Pro Preview AI technology

Solar Pro Preview Solar Pro Preview is an advanced large language model (LLM) developed by Upstage, designed to deliver top-tier AI performance while running on a single GPU.

Solar Pro 2 (Reasoning)

Analysis of API providers for Solar Pro 2 (Reasoning) across performance metrics including latency (time to first token), output speed (output tokens per second), price and others. API providers

Solar Pro Preview: The most intelligent LLM on a single

Upstage's Solar Pro Preview delivers top-tier AI intelligence, achieving leading MMLU Pro and IFEval scores on a single GPU. Experience performance rivaling

AI Solar: How Artificial Intelligence is Transforming Solar Energy

AI is revolutionizing solar energy by improving efficiency, predictive maintenance, forecasting, and customer experience. It enables optimized panel placement, smart energy

Solar Pro 2 has launched - and it's a game-changer.

? Solar Pro 2 has launched - and it's a game-changer. We've pushed the limits of model performance -- and now, we're redefining how models are used. ? Launch Blog (<https://lnkd>
