

Supplier of solar sharp

Overview

Sharp's (PV) modules are used for many applications, from satellites to lighthouses, and industrial applications to residential use.

Supplier of solar sharp

Sharp Solar

The company produces thin film modules and mono and poly-crystalline silicon solar cells. Sharp's photovoltaic (PV) modules are used for many applications, from satellites to lighthouses, and industrial applications to residential use. Sharp Solar manufactures PV modules in multiple locations, though it shut down solar panel production at its factories in Wrexham, Wales and Memphis, Tennessee in 2014.
