Vulcan Energy Resources

Vulcan Energy was founded in 2018 by geologists Dr. Francis Wedin, who now acts as managing director and CEO, and Dr. Horst Kreuter. Wedin started his career in the Australian mining industry and began exploring ways to mine lithium using environmentally friendly geothermal resources in 2014. Kreuter, a native of Germany, has been developing and implementing geothermal projects around the globe for over 20 years. In June 2018, Vulcan Energy Resources went public on the Australian stock
