Where To Buy Solar Panels? - Forbes Home

Is My Roof Ready For Solar Panels? Do I Need A Battery Backup For My Solar System? What Types of Solar Panels Do You Recommend For My Home? Is This A Purchase Or A Lease? Some solar dealers offer both financing and leases for solar systems, but it's really important you know which you're agreeing to. When financing, you'll be paying the cost of your system down, and you get the federal tax credits, but you do neither of those things while leasing. In addition, some leases are extremely difficult to terminate, making See more on forbes Tesla
